<https://spainfotos.villasfox.com/Blue-Lagoon> A sensational villa on three levels with beautiful gardens and pool. Also with a private garage and driveway. Suitable for a large family since besides the four bedrooms, there is also an alcove in the lower level fitted with two sets of bunk beds, so the property easily sleeps 8 adults and 4 children! The lower level comprises kitchen, bedroom, bathroom, lounge and the aforementioned bunk bed area. The ground floor has a really spacious lounge and dining area with open-plan kitchen, two bedrooms and bathroom. One of the bedrooms has a door with direct access to the garden and swimming pool! The upper floor has the master bedroom, bathroom and access to the solarium with shaded area. An internal flight of stairs connects all three levels. There is gas-fired (piped gas) central heating system with radiators, air-conditioning and ceiling fans for your comfort! There are also solar panels for hot water, to reduce your electricity bills. Located on one of the highest parts of the Blue Lagoon residential area, there are superb views towards La Manga from the solarium, where you can enjoy undisturbed private sunbathing! There are bars and restaurants within walking distance (about a 15 minutes walk), but the street and surrounding areas are residential and peaceful. The gardens and pool area are beautifully-kept with some lovely specimen tropical plants and bushes (including an ancient olive tree), all laid out in a charming, rustic style. There is a storage area to the side of the property, and the swimming pool has recently been reformed. The property already has a tourist licence which can be transferred to the new owners, meaning that you can offer holiday lets and generate a valuable income stream for the times you are not using it yourself! A 360° virtual tour of this property is available upon request. {loadmoduleid 177} {loadmoduleid 455}
